2772-302

A quiet cherry that does not show the cherry face in the first look. The division of the planks is modern and timeless. The decor is planked. 1/4 cut flowers with small gaps in the annual rings are responsible for the calm and recognizable character. The processing is very independent due to light sandblasting and brushing and the application of a marble stain.

Collection colours:

Combinable Designs:

Parisian Blue
891-2574
