Calmness

A beech that at first sight breaks with the look of a classic beech with a dusty expression of the 90s and 2000s. The design lives from not fulfilling the clichés of beech at first glance. A mixture of elegant rusticity, striking areas that are embedded in the overall concept of this decor. In pale, slightly bleached colors as well as darker color worlds, the decor has a very special Independence that makes it possible to think of beech again.

Collection colours:
