Distinctive
Thermally treated
Rustic
Trendy

Finding a distinctive and recognizable oak tree is becoming increasingly difficult. Here is an oak tree with well-known characteristics but with a completely new interpretation. A mild, thermally treated oak with a calmer character in the wood image and a very pale textile-looking saw cut that stays in the background and gives the design a very elegant rustic look.

Collection colours:

Combinable Designs:

Cocoa
891-2579
