2477-0402

2477-0405

2477-0403

Impetuous and unique, this Tunisian marble is distinguished by the exclusivity and the beauty of its fine, warm, reddish veins. With a dark background that highlights its metallic grains, this stone lends a unique character to countertops and large surfaces. Elegance, subtlety and luxury come together to beautify any space with a lot of personality.
