2495 Montana Oak

Colour modulation
Elegant
Planked
Metallic Effect

2495-201

2495-303

2495-D003

2495-D006

Wooden surface with narrow cathedrals and striped pores, giving a rhythmic sensation with its calm composition, but at the same time very elegant. This surface is designed for subtle space surfaces and combined with other riskier surfaces.

Collection colours:
